

Garden Club Has Workshop

Mrs. Lawrence McClure, president of the Winnetka (Ill.) Garden club, spoke and demonstrated flower arranging Wednesday and Thursday at workshops for the Cedar Rapids Garden club held at All Saints Catholic school. Mrs. McClure, above in print dress, also showed members how to use garden vegetables for an informal centerpiece. She combined red cabbage and egg plant, cucumber and asparagus for an unusual arrangement.

Mrs. McClure combined oriental poppies and Kalanchoe beharensis leaves for the dramatic centerpiece above. The black container sets off the bright orange flowers.

Effectiveness of green leaves was illustrated by the visiting gardener in this arrangement using long, slender pandanus leaves, the leaves of the calla lily and variegated pittosporum with a few tulips for color accent.
